[fabiana.dalpozzo@amcra.be](mailto:fabiana.dalpozzo@amcra.be)

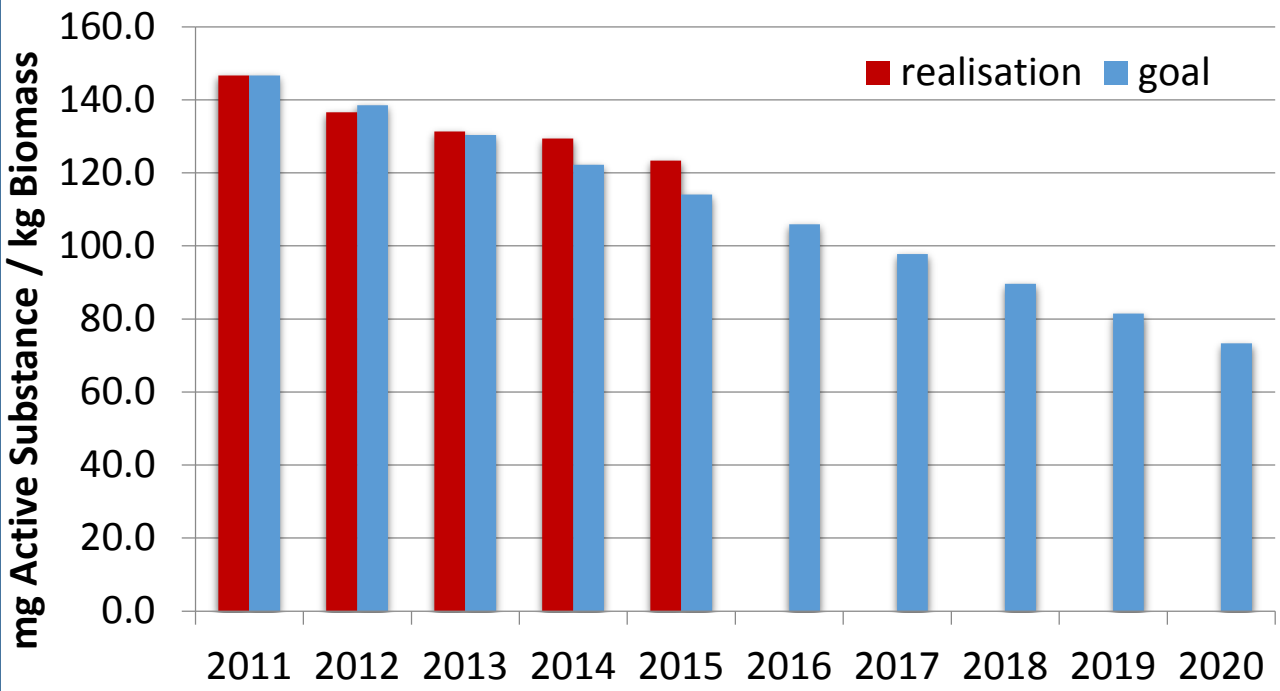

## VISION 2020

**50% LOWER ANTIBIOTIC USE BY 2020**

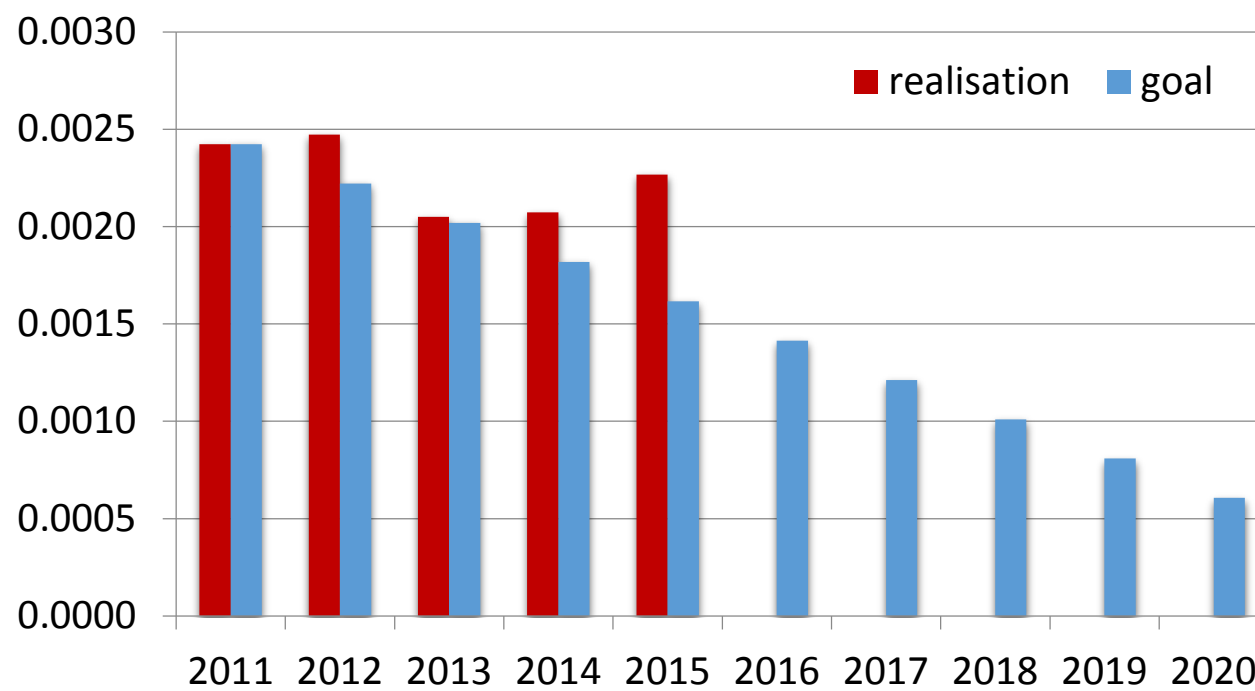

**75% LOWER USE OF THE MOST CRITICAL ANTIBIOTICS BY 2020**

**50% LOWER USE OF MEDICATED FEED WITH ANTIBIOTICS BY 2017**

### Evolution total consumption in reference to 2011

### Evolution total consumption of critical antibiotics

**CONVENTION**

**AUTOREGULATION**

**COREGULATION**

**On June 30, 2016 the Convention was signed by:**

- Ministries of health and agriculture
- Federal Agency for Medicines and Health Products
- Representations from:
  - pharmaceutical industry
  - medicated feed industry
  - regional diagnostic laboratories
  - veterinarians
  - farmers
  - animal production organizations

**AMCRA objectives were adopted by all parties + each institution stated specific engagements in order to take actions.**

**If you want to go fast, go alone,  
If you want to go far, go together**
